Through the Deputy Commissioner,

Sir,

In submitting herewith an extract from the proceedings of the meeting of the Chitaldrug Town Municipal Council, held on 7th May 1920, on the matter of purchasing pipes for the urgent use of the city, I have the honor to state that the people of the localities, to which no pipe-connection is given, are put to much inconvenience for want of water in summer season

Though there is ample water in the Tank the Municipality cannot supply water to the suffering class as there is no sufficient stock of pipes Hence it is an urgent necessity that the required length of pipe should sent for

I, therefore, request that sanction of Government may kindly be obtained early for utilizing ~ 2519-4-0 from the closing balance for the year 919-20 towards the cost of pipes as per estimate ~ submitted herewith

With reference to your letter No.R.349 MI 188-19-8 dated July 1920. I have the honor to state that as the pipes of ent sizes and other fittings were reported to be urgently red for laying out pipes in the several localities of the ldrug town, a reference was made to the Chief Engineer from s office requesting that sanction of Government might be kindly obtained therefor As there was no provision made in the last year's t and as the purchase of the pipes was very urgent, it was proposed that the cost thereof viz Rs 2519-4-0 might be met from the closing balance of the year 1919-20 But now that the year 1919-20 was and that the Budget for 1920-21 has already been sent up for otion, I request that the cost may be ordered to be met out of current year's closing balance, as provision therefor could not made in the current year's Budget which was sent long ago

The enclosures received with the above are herewith returned
